YWAM Châtel - Switzerland - July 4th - September 23rd - 2022

This powerful school is designed to train workers to walk in the presence and power of God. As students renew their mind and learn their true Identity they will begin to see the supernatural released. Students will learn to take risks in moving out in prophecy, the spiritual gifts, healing the sick and the wounded, sharing the gospel, making disciples and believing for miracles as Jesus told the disciples to do when he left. This school is perfect for leaders or newcomers in any ministry. Do you want to see God show up in your ministry in a powerful way? Come join this powerful school! This is a 3 months course followed by a 2 months outreach.
